Dear Brad,

Glad to hear that you are coming up to Northampton. We'd like to know a few of your plans though inn preparation for the event.

Firstly, how many people are coming, and do they want rooms for the night. We can arrange for as many as youwish for $2.00 per person if you plan to stay over.

Secondly, for publicity purposes we'd like an idea of the shows you will be putting over the air. As far as we are concerned, we would like those most representative of your station and most popular with you listeners.

To clear up any questions you may ha ve about our facilities, we are equipped to play disks up to 18 inches and have two speeds 33 1/3 and 78 RPM. As for the sghedule, we broadcast in the evenings from 7-11 and in the afternoons from 5-6.

Let us also know if you can make it for the afternoon show.

Lookong forward to seeing you,

Sincerely,
